For the struggle Against AUTOGRILL Multinational

Dear comrades of USB

On behalf of PAME and Athens Trade Union of Tourism Workers we want to thank you for your class solidarity to our struggle against the Multinational AUTOGRILL

After militant actions by the Tourism Workers' Union and class unions of Athens against the layoff of a worker-unionist by the Italian Multinational AUTOGRILL, and thanks to the solidarity of the comrades of USB, who held similar actions in Italy, we succeeded to cancel the layoff!

This positive outcome proves that the solution for us is collective action and organization with the unions. To fight like a fist against defeatism and fatalism. Our strength is here, in our demands for jobs and life with rights, our strength is based on solidarity.

On behalf of PAME and the Tourism Workers' Union of Athens we want to thank you for your important help and support.
