### **Subject: WFTU Poster Competition**

On behalf of the WFTU Secretariat and the 90 million workers in 126 countries represented by our international, class-oriented and militant Organization, I extend to you Congratulations for winning the 2<sup>nd</sup> Prize of European Region at the Poster Competition in honor of the 70<sup>th</sup> Anniversary of the WFTU.

The winning posters were selected through voting process during the Presidential Council Session in Geneva, Switzerland on 6-7 June 2015.

This competition is especially important because it honors the 70 years of militant and internationalist struggle of the World Federation of Trade Unions, a struggle against colonialism, apartheid, imperialism for trade union rights, labour rights, democratic and social rights.

Your poster will be circulated around the world in all WFTU affiliates and friends, will be included in the exhibitions on the sidelines of the activities in honour of the 70<sup>th</sup> Anniversary and will be included in a Special Publication with all other participating posters.

Fraternal greetings,

George Mavrikos,

General Secretary
