“CUBA IS NOT ALONE”

In the context of the Day of Action "Cuba is not alone", declared by the WFTU, USB carried out today a protest of solidarity with the people of Cuba and submitted the following resolution to the Cuban Embassy:

USB, expresses its support and Solidarity with the Cuban people and the CTC.

Our class, internationalist Solidarity with the people, with the workers of Cuba was, is and will be a key part of USB's action, the struggle of the class-oriented trade unions of Italy against imperialism. In particular, against the imperialist EU and the governments of the EU Member States, which are characterized by their hostility to the struggles of the peoples.

We demand:

- STOP THE EMBARGO
- THE CLOSURE OF GUANTANAMO
- THE RETURN OF GUANTANAMO TO THE CUBA SOVEREIGNTY

Solidarity to the People of Cuba
