Italy: Solidarity with the General Strike of USB, October 21

, 21/10/2016

Statement of Solidarity trade union coalition - the backbone of Palestine - Italy

It confirms the union coalition workers Palestine solidarity with USB unions in the national struggle and labor and extend to them the name of Palestine workers great solidarity with them and with all Italian workers. We consider USB Union is a history of struggle and will remain high and a major in labor activities and join our call to him and We ask the Italian government to meet the health and struggle demands.

He lived Palestinian Italian Solidarity
