Solidarity and militant support to Steve Hedle RMT General Secretary.

Nazionale, 16/07/2018

USB gives all full solidarity and militant support to Steve Hedley,

General Secretary of british transport trade union RMT,

affiliated to WFTU, brutally assaulted by fascists

yesterday while participating to an anti-fascist rally

held in Westminster in London.

Against an increasingly aggressive fascism throughout Europe,

all the trade unions affiliated to the WFTU will stand together

in a common front to push them back into the dustbin of history.
