## OSCMS to the murder of Egyptian worker in Italy

, 16/09/2016

Dear comrades, brothers and sisters,

On behalf of Trade Union Association of Bohemia, Moravia & Silesia, all of us express you the deepest solidarity, sharing your righteous indignation over a murder of a picket member, comrade Abd Elsalam Ahmed Eldanf. It is a brutal ruthlessness, unfortunately being common for the capitalism.

We offer our most sincere deepest condolences to his family, his nearest and dearest, as well as to all of you.

Yours in solidarity in both peace and struggle

Fraternally

Stanislav Grospi?  
OS?MS Chairman
