# "Rich, ambitious, targeted Action Plan" WFTU Bulletin 2/2014

## IMPORTANT ACTIVITIES TO BE ORGANIZED

### Rich, ambitious, targeted Action Plan

The World Federation of Trade Unions loyal to its duty, its solidarity with the working people all over the world, focusing on the key issues that concern the workers internationally and promoting the reconstruction of the international trade union movement that concluded in its Presidential Council Session held in Rome, Italy, on February 14-15 to organize the following prominent activities during the year 2014.

#### INTERNATIONAL ACTION DAY 2014

On October 30th, 2014 the WFTU calls the trade unionists all over the world to organize and hold a demonstration, rally, congress, the crucial activities in support of ILO and demands for the right to the unemployed.

#### CELEBRATION OF THE WFTU'S 70th ANNIVERSARY

The celebratory activities for the 70th anniversary since the foundation of the WFTU should start in October 2014 and last until October 2015. The aim of this activity is to celebrate the victory and clarify the further perspectives about the need of trade union action, the value of class struggle, the struggle on job, for strong, healthy, international trade union unions that will be able to change people for the proper governance.

#### WORKING WOMEN CONGRESS

WFTU Working Women World Congress is expected to be held during the 2nd half of 2014. It will be a global event, with various women trade unionists from all continents and regions of the WFTU will be invited to discuss and conclude on the platform of the WFTU concerning the current role of the working women movement.

#### TRADE UNION TRAINING COURSES

The contemporary media of the international class struggle, trade union movement, demand, trade union control etc. are all extremely important. According to the demands of the WFTU, various all over the world Trade Union Training Courses will be organized in every region and sector and in the Central Office of the WFTU.
