, 16/09/2016

Dear Comrades of USB,

On behalf of the workers we represent in Portugal, we strongly condemn the brutal murder of brother Abd Elsalam Ahmed Eldanf, when he was peacefully participating in a strike picket line at GLS/SEAM.

Please convey our sincere condolences to his family.

We demand the arrest and condemnation of those directly and indirectly guilty of this barbaric assassination.

Sincere Regards

CGTP-IN International Department
